The site provides time-tables in English
and German as well.

In Spišské Podhradie you should get off at the bus stop which is in a small square in the centre of the village. Start walking through the village uphill (opposite direction than to the castle). Spišská Kapitula is a small quarter up on the hill with a two tower cathedral, seminarium and other church buildings. When on the hill already, there is only one route which crosses the quarter with two gates (up and down) and houses around it. One of the historical buildings is Kolping House or Hotel Kolping, the site where our unforgettable seminar takes place. If you get lost, try to approach local people and ask for „Kolpingov dom na Kapitule.“ Though you may meet several Roma people, locals are usually very friendly and should help you. If not,

in emergency call Eduard (+421-905-477468) or Damian (+421-908-373676)

If you have reached this place, we are happy to welcome you!!!

In order to reduce the travel costs, we encourage participants to buy domestic tickets within Slovakia as often as possible. If you are changing your connections in Slovakia and have time to buy a domestic ticket, please do so. Thus you are helping us reduce costs for international tickets and of the whole event. In this way we could spend more money on social life, for example.
